

Richard Blumrick, MD

Richard Blumrick, MD, is a board-certified perinatologist in the Division of Obstetrics and Gynecology at St. Joseph's Hospital and Medical Center. Dr. Blumrick received his medical degree from the State University of New York at Stony Brook in 1992. He completed an internship in OB/Gyn at St. Luke's Roosevelt Hospitals in New York (1992-1996) and a fellowship in maternal-fetal medicine at Duke University Medical Center (1999-2002). He is a member of the American College of Obstetricians and Gynecologists, the Maternal Fetal Medicine Society and the American Institute of Ultrasound in Medicine. His interests include complicated pregnancies, extreme prematurity and gene therapy.
